

# Cheer Haven All-Stars 2023-2024 Half Year Novice Team

## Parent Information

Welcome to our Cheer Haven All-Star Family! We're thrilled to welcome you to our program and cannot wait to get started training with you. We've organized information for parents to help provide insight on Season Six expectations and requirements.

### What is the age range for participants?

★ Our ½-year **Novice Team** is for athletes with **Birth Years: 2011-2016** (Ages 8-11\*)

### What exactly does NOVICE All-Star Cheer mean?

★ All Star Cheer is divided into categories by age and experience so that an athlete may participate in a way that fits them perfectly. These divisions allow programs to place athletes on teams where they can grow, be inspired and challenged throughout the season ahead! USASF member gyms may offer cheer programs and teams in any or all of the following divisions: | Novice | Prep | International | Elite | CheerABILITIES

★ **Novice** all-star is for individuals who are beginner level All Stars, but ready for performance-based teams that are evaluated at events. Novice teams focus on strengthening technique and performance skills that help prepare athletes for competitive All Star teams.

### What experience is required?

★ No experience in cheer or tumbling is required to participate! However, athletes with prior skills will have an opportunity to showcase those skills in the routine!

★ Coaches will spend time helping the athletes achieve new skills to incorporate.
